

Overlapping Garuda and F1 Channel Numbers

When locking in to either Garuda or Inmarsat, ALWAYS use the CHANNEL NUMBER

Note: Calls to the Philippines (SMART & PLDT numebrs) still cost P15/minute when you use the Inmarsat Channel Numbers (in red) that correspond to the locations specified below. Use them when you encounter difficulties locking in to their corresponding Garuda Channel Number.

Garuda Spotbeam No.	Garuda Channel Number	Inmarsat F1 Channel Number	Location
