"Noong 2007, na-confine ang anak ko sa ospital. Noong umalis ako para mag-join sa Dubai, naka-confine pa rin sya. SMART Link ang gamit ko para makausap ko ang asawa ko tungkol sa sitwasyon ng baby namin. Nakapagpadala naman ako ng pera para sa ospital, dahil thru SMART Link, nakapag-communicate ako sa opisina."

Enjoy better connection & lower rates with SMART Link-to-SMART calls

It really pays to be a SMART family!

Here's another reason for you SMART Link subscribers to make sure your families back home stay on the SMART network (or switch to SMART, if they are not yet subscribed).

Aside from getting better connection when you use your SMART Link to call SMART Gold, SMART Buddy, or Talk 'N Text, you also enjoy the affordable rates of P15.00/min. (when you're calling from Zone A) and P30.00/min. (when you're calling from Zone B). Same rates apply when you call PLDT numbers.

Calling non-SMART/PLDT Philippine mobile and landline carriers with SMART Link costs P18.00/min (Zone A) and P32.00/min (Zone B).*

So for your seamless communication and more affordable calls, tell your family to use only SMART, Talk 'N Text or PLDT services. SMART/TNT Prepaid SIM cards are widely available in SMART Wireless Centers, malls, authorized dealers and cellphone distributors all over the country.

*These rates for **NON-SMART/TNT/PLDT** will take effect on October 1, 2009.
